

## **LETTER OF RECOMMENDATION**

**To Whomsoever It May Concern,**

I am pleased to recommend **Sai Rithwik B**, who served as a **Maintainer** during the **Open Source Summer Projects 2025**. He demonstrated excellent leadership, technical expertise, and consistent support for the participating teams.

As the **Maintainer of Personalized Academic Tracker**, He guided students in project design, code reviews, and best practices, while fostering collaboration and creating a productive learning environment. The project achieved impactful outcomes under his mentorship.

I strongly believe he will continue to excel in future endeavors, and I wholeheartedly recommend him.

**Sincerely,**  
Gaurav Gehlot  
Head Of Academics  
Newton School Of Technology
